3. Similarly, Innovative Expo and its subcontractors, cannot be responsible for disappearance of the Exhibitor’s materials before the materials are picked up from the Exhibitor’s booth for loading out after the show. All bills of lading covering outgoing shipments, which are given to Innovative by the Exhibitors will be checked at the time of pickup from the booth and corrections made where discrepancies exist.

4. Innovative Expo and its subcontractors, shall not be responsible for loss, delay or damage due to strikes, lockouts or work stoppage of any kind.

5. Innovative Expo and its subcontractors, shall not be responsible for ordinary wear and tear in handling of equipment, nor for loss or damage due to fire, theft, windstorm, water, vandalism, acts of God, mysterious disappearance or other causes beyond its control.

6. Innovative Expo and its subcontractors, shall not be held liable for any damage incurred during the handling of equipment requiring special devices to properly load, place, or reload unless advance notice has been given to Innovative Expo in time to obtain the proper equipment.

7. It is understood that Innovative Expo, and its subcontractors, are not insurers, that insurance, if any, shall be obtained by the Exhibitor and that the amounts payable to Innovative Expo hereunder are based on the value of the material handling services and the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor’s property being handled. Since it’s impractical and extremely difficult to fix the value of each shipment handled by Innovative Expo, or its subcontractors, it is understood that Innovative Expo, and its subcontractors, do not provide for full liability should loss or damage occur. It is agreed that if Innovative Expo, or its subcontractors, should be found liable for loss or damage due to a failure to properly handle the Exhibitor’s equipment, the liability shall be limited to the specific article which was physically lost or damaged and such liability shall be limited to a sum equal to $.25 per pound per article with a maximum liability of $50.00 per item, or $1,000.00 per shipment, whichever is less, as agreed upon damages and not as a penalty, as the exclusive remedy; and that provisions of the paragraph shall apply if loss or damage irrespective of cause or origin, results directly or indirectly to property from performance or nonperformance of obligations imposed by the offering of material handling services to exhibitors or from negligence, active or otherwise, by Innovative Expo, its subcontractors, or employees.

8. Innovative Expo, and its subcontractors, shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues or from any collateral costs, which may result from any loss or damage to an Exhibitor’s materials which may make it impossible or impractical to exhibit same.

9. Claims for loss or damage which are not submitted to Innovative Expo within thirty (30) days of the close of the show on which the loss or damage occurred shall be considered waived. No suit or action shall be brought against Innovative Expo, or its subcontractors, more than one (1) year after the accrual of the cause of action therefore.

10. The consignment or delivery of a shipment to Innovative Expo, or its subcontractors, by an Exhibitor, or by any shipper on behalf of the Exhibitor shall be construed as an acceptance by such Exhibitor (and/or other shipper) of the terms and conditions set forth in Sections 1 through 9.

BE SURE YOUR MATERIALS ARE INSURED FROM THE TIME THEY LEAVE YOUR FIRM UNTIL THEY ARE RETURNED AFTER THE SHOW. IT IS SUGGESTED THAT EXHIBITORS ARRANGE ALL RISK COVERAGE. THIS CAN USUALLY BE DONE BY "RIDERS" TO EXISTING POLICIES.
AUTHORIZATION TO PROVIDE MATERIAL HANDLING SERVICES

If you are shipping any materials for this conference then this form MUST be returned to Innovative Expo

We hereby authorize INNOVATIVE EXPO to provide such services as are necessary to handle our shipments (s) in accordance with the information set forth on the DRAYAGE LIMITS OF LIABILITY and we further agree to the following:

A. We have examined and reviewed the DRAYAGE INFORMATION/RATES page which was included with other forms relating to this event which were forwarded to our firm and understand we will be charged for Material Handling Services and any facility surcharges in accordance with the published rates for such services as are provided.

B. We accept the responsibility for the payment of all the Innovative Expo charges in connection with the handling of our shipment (s) and we guarantee payment to Innovative Expo in the event any third party who acts in our behalf shall fail to pay such charges within thirty (30) days of the receipt of Innovative Expo’s invoice for such charges.

C. We agree to Innovative Expo’s LIMITS OF LIABILITY AND RESPONSIBILITY as set forth.

D. We agree that Innovative Expo’s, or its subcontractor’s, liability shall be limited to any loss or damage which results solely from Innovative Expo’s, or its subcontractor’s, negligence in the actual physical handling of the items comprising our shipment(s) and not for any other type loss or damage.

E. With particular reference to paragraphs C and D above, we agree in connection with the receipt, handling, temporary storage and reloading of our materials that Innovative Expo, or its subcontractors, shall sign a delivery receipt, bill of lading, or other documents we agree that Innovative Expo, or its subcontractors, will do so as our agent and we accept the responsibility therefore.

E1. Relative to inbound shipments, we recognize that there may be a lapse of time between the delivery of our shipment(s) to our booth by Innovative Expo, or its subcontractors, and the arrival of our representative at the booth and during such time our shipment (s) will be unattended in our booth. We agree that Innovative Expo, and it subcontractors, shall not be responsible for any loss or damage which may occur during such period.

E2. Relative to outgoing shipments, we recognize that there will be a lapse of time between the completion packing and the actual pickup of our materials from our booth for loading onto a carrier, during such time our shipment(s) will be left unattended in our booth. We agree that Innovative Expo, and its subcontractors, shall not be responsible for any loss or damage which may occur during such period, and we authorize Innovative Expo, and its subcontractors, to adjust the quantities of items on any bill of lading submitted to Innovative Expo, or its subcontractors, to conform to the actual count of such items in the booth at the time of pickup.

F. We agree, in the event of dispute with Innovative Expo, or its subcontractors, relative to any loss or damage to any of our materials or equipment, that we will not withhold payment of any amount due to Innovative Expo for material handling services or any other services provided by Innovative Expo, or its subcontractors, as an offset against the amount of the alleged loss or damage. Instead, we agree to pay Innovative Expo within thirty (30) days from the close of the show for all such charges and further agree that any claim we may have against Innovative Expo, or its subcontractors, be pursued independently by us as a completely separate transaction to be resolved on its own merits.

G. In order to expedite removal of materials from the show site, Innovative Expo shall have the authority to change designated carriers, if such carriers do not pick up on time. Where no disposition is made by the Exhibitor, materials will be taken to a warehouse to await the Exhibitor’s shipping instructions and we agree to pay for charges relating to such handling at the warehouse.

H. We agree that all questions relating to classification of the Exhibitor’s materials, rates charged, or weights used to determine material handling charges shall be submitted to Innovative Expo’s office within thirty (30) days of the receipt of the invoice. Complaints received after such period shall not be considered and payment of the invoice shall be made in full.

We agree that Innovative Expo will provide its services as our agent and not as bailey or shipper, that if any employee of Innovative Expo shall sign a delivery receipt, bill of lading, or other document, they will do so as our agent and we accept the responsibility therefore. We agree in the event of a dispute with Innovative relative to any loss of damage to any of our materials or equipment that we will not withhold payment of any amount due Innovative for freight service or any other services provided by Innovative Expo as an offset against the amount of the alleged loss or damage. Instead, we agree to pay Innovative Expo according to their Payment Policy for all such charges and we further agree that any claim we may have against Innovative shall be pursued independently by us as a completely separate transaction to be resolved on its own merits.

INNOVATIVE EXPO SHOW SITE WORK RULES

To assist you in planning for your participation in the forthcoming convention, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the show site work rules, we ask that you read the following:

EXHIBIT LABOR

Members of this union claim jurisdiction over all set-up and dismantling of exhibits including signs and laying of carpet. This does not apply to the unpacking and placement of your merchandise, performance, testing, and/or maintenance of your products.

You may install, or dismantle, your exhibit display if one person can accomplish the task in less than 1/2 hour, without the use of tools. If your exhibit installation or dismantling requires more than 1/2 hour, you must use union personnel supplied by Innovative Expo. To secure labor, please use the Labor Order Form enclosed in your exhibitor service kit. You will be pleased to know that when union labor is required, you may provide your company personnel to work along with a union installer in Southern California on a one-to-one basis.

FREIGHT HANDLING

Members of this union claim jurisdiction over the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may move material that is able to be hand carried by one person in one trip, without the use of dollies, hand trucks, or other mechanical equipment.

Exhibitors who hand carry materials onto the show floor will not be permitted vehicle access to the loading dock and/or freight doors. All such vehicles must be parked in the designated “exhibitor parking lot”.

HELPFUL TIPS FOR EXHIBITORS

1. Place your orders with payment before the deadline to avoid “standard pricing”. The deadline is strictly enforced and will not be waived for any reason.

2. Ship your exhibit materials as early as possible. We will store your materials up to 30 days prior to move-in at no charge. Please review deadlines for receiving of freight to avoid additional charges.

3. Call our office at least two working days prior to move-in to confirm the arrival of your shipments. This allows time for tracking or re-shipping before the show.

4. Innovative Expo uses Yellow Freight Systems exclusively for re-shipping material at the close of the show.

5. If you choose to use another carrier, your representative on the show floor must:
   * Provide Innovative Expo with the name of the carrier and copy of bill of lading or air bill
   * Contact the carrier to arrange pick up
   * Be aware of the time deadline for clearing the show floor to avoid forcing the shipment onto our or corresponding designated carriers. This time varies with each event, it is best to check with Innovative Expo if there is any questions.

6. Your representative must be prepared to settle any balances due at show site before the close of the show. Innovative Expo does not invoice for show rentals or services.
